

HAP Endeavours — Johnson City, TX 2020 Prices

Teaching - tuition to be paid monthly

American Cursive Handwriting or Getty-Dubay Italic \$15 per hour
 Minimum 5 students, maximum 10 students within Blanco County (locations outside Blanco County require a mileage fee, rented rooms may require an additional fee). Three (3) students in my studio. These classes are for any students (public, private, or homeschool) that would either like to begin to learn to write well or to improve their handwriting. I use Michael Sull's American Cursive Handwriting book for students 9 to adult or Getty/Dubay Italic as preferred. The complete ACH course takes approximately 6 months to complete and a certificate of completion at course end from Michael Sull may be ordered for the ACH course. Ages 5 to adult. Materials included.

Drawing from life \$20 per hour
 Maximum 3 students in my studio, outside on my family's working ranch, or around town (Johnson City) indoors or out depending on student interests and weather. Students learn to draw with pencil and other drawing tools: still lifes, buildings, landscapes, flowers, animals, insects, etc. wherever the class takes place. Topics include classical Atelier techniques and skills including observation, contour and blind contour drawing, line quality, tone, gesture drawing, proportion, and more. Ages 7 to adult. Materials included.

Watercolor \$20 per hour
 Maximum 3 students in my studio, outside on my family's working ranch, or around town (Johnson City) indoors or out depending on student interests and weather. Students learn about color theory, materials, and watercolor techniques. Botanical style painting and other realistic techniques taught. Ages 9 to adult. Materials included. Prerequisites: Drawing

Private Art Lesson \$50 per hour
 On any topic or group of topics. Materials included except if working on vellum.
